

Hello my new friend, Carliss

I want to be your pen-pal. Pen-pals are friends who write to each other.

My name is Rashin.

I live in Tehran.

I go to Mrs. Saman and I am in the
Kindergarten. I like my school
because It is fun.

My favorite things to do are playing with ball
and ride my bike.

Now it's your turn to write back to me.

Love

Rashin
